## *Miss Nancy Grundy*

Each year we, the GLACIER Staff of Winters High School, are faced with the important decision of selecting someone to whom we wish to dedicate a full year of work. Our dedicatee must possess outstanding qualities and leadership abilities.

In special appreciation of her outstanding work we feel it fitting to dedicate the 1971 GLACIER to a woman dedicated to the cause of furthering education. The 1971 GLACIER is therefore respectfully dedicated to MISS NANCY GRUNDY.

Janice,  
I enjoyed  
getting to know you  
this year. I hope you  
have a great year as a  
Sophomore.

## Foreword

Each year we, the GLACIER Staff, work to compile a record of the highlights of the school year.

From these 160 pages we hope that many memories will be brought back to life. Our goal in producing this edition of the GLACIER is achieved if this book brings back to you cherished memories. Our sincere wish is that it will not only be a source of pleasure for you now, but in the years to come.

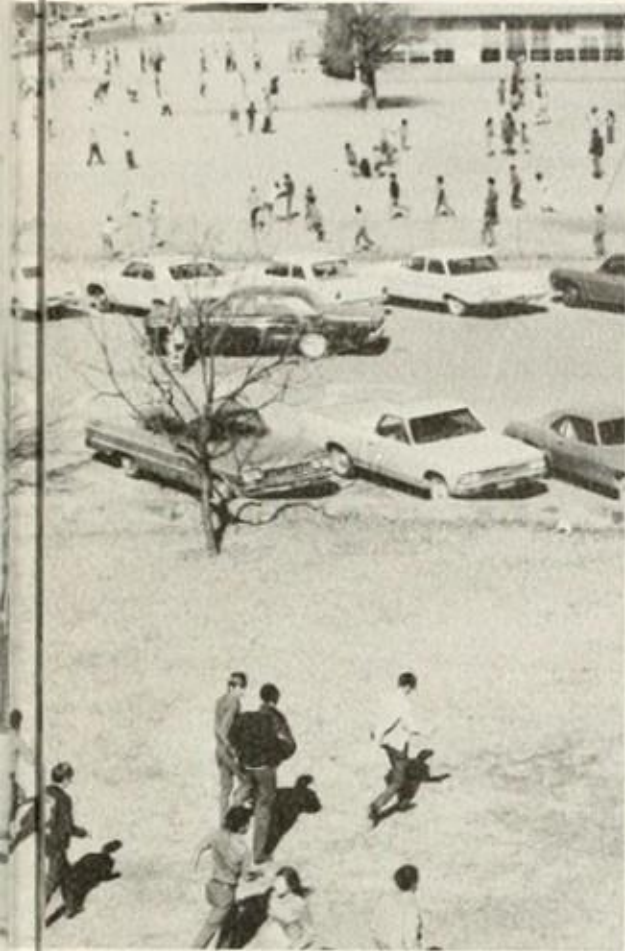

We hope that this, the 1971 GLACIER, serves as a pleasant reminder of the Campus Life at Winters High School during the 1970-1971 school year.

## *Winters High School*

Who'd you say was mobbed?

They say relaxing increases the mental capacity!

I didn't do it!

## *Campus Life*

"Where's the cavalry?" or "Doomsday for Don!"

Mother wanted a girl.

Of course Women's Rights are legal, why else would we be meeting secretly?

Your shoes are where?

But I didn't want my picture taken today!

If we jumped together it wouldn't be so bad.

Best class I've had all year.

1970-  
1971

What mother would claim these guys?

Are you sure this is where they found the runaway basketball?

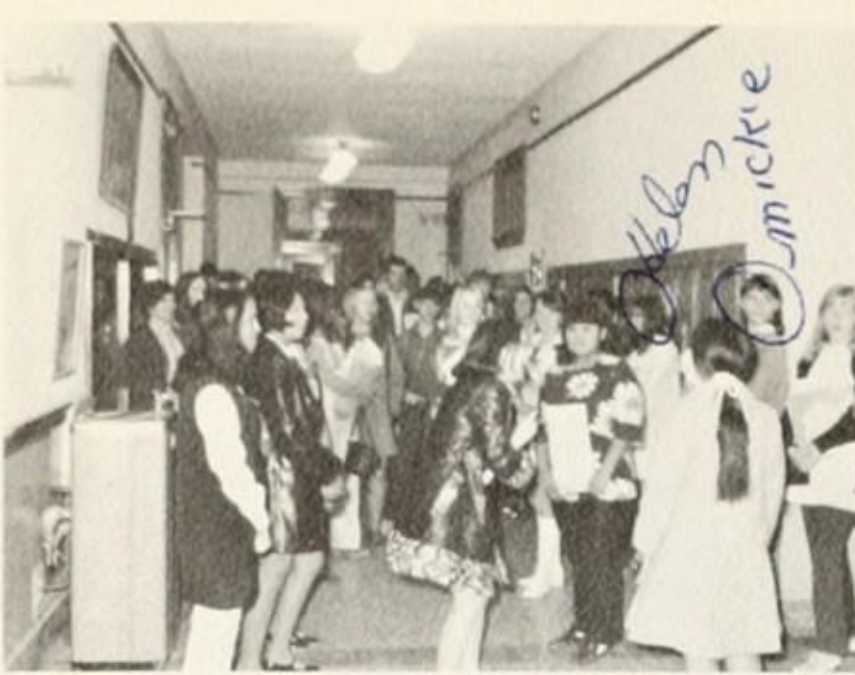

Fifty cents! Just to get inside the film room?

Guess what? I've just got my Bill from Hardin-Simmons.

Telephone? UCLA? Riot scholarship? You're Kidding!

I think we made a wrong turn!

Is that really what the twirlers learned at camp last summer?

## Campus Life

The fad this year is chokers.

It's "A Book for Every Bird," not, "Every Bird for One Book."

Etiquette? What's that?

Studying human anatomy has its advantages . . .

Do you think she'll mind if I change the assignment?

Are you sure the letters are the same on this typewriter?

All right, Dane, what did you do this time?

I can fly! I can fly!

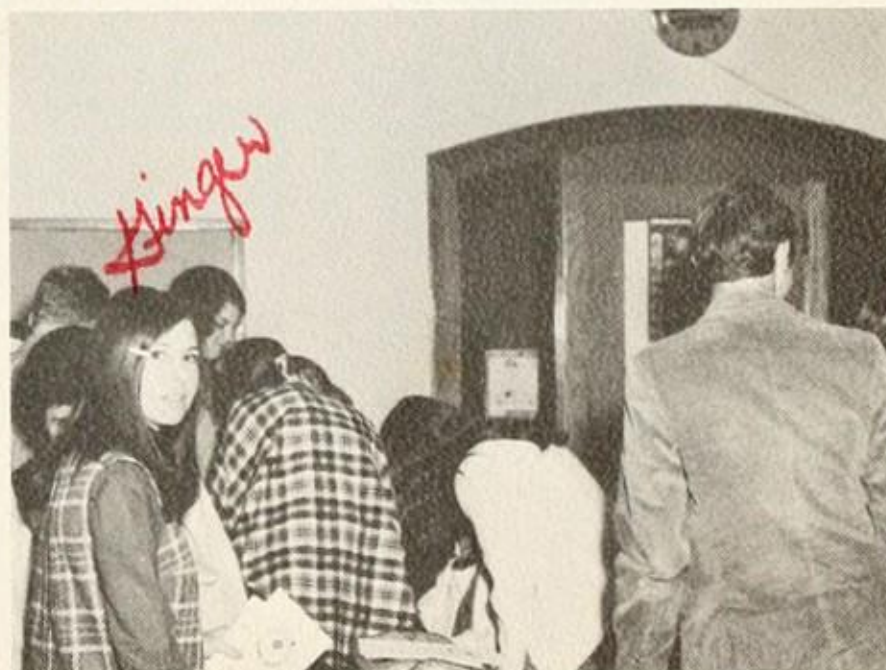

... and then the young prince ... Joe! Aren't you listening?

1970-  
1971

Don't look now, but we're being watched.

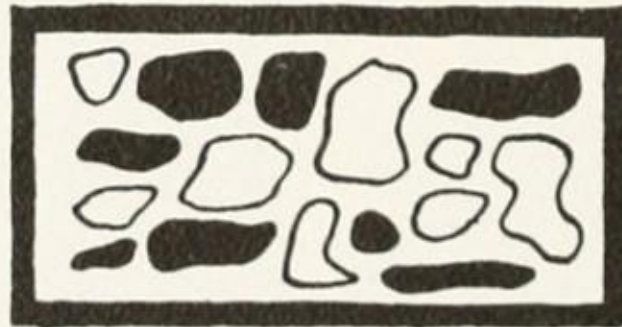

You may be shy, but I'm going to be in the picture.

Phyllis

. . . in W.H.S.

This book represents another page of our life that is finished. Yet each time we browse through this edition of the GLACIER we will live again many of those happy experiences of the 1970-71 school year.

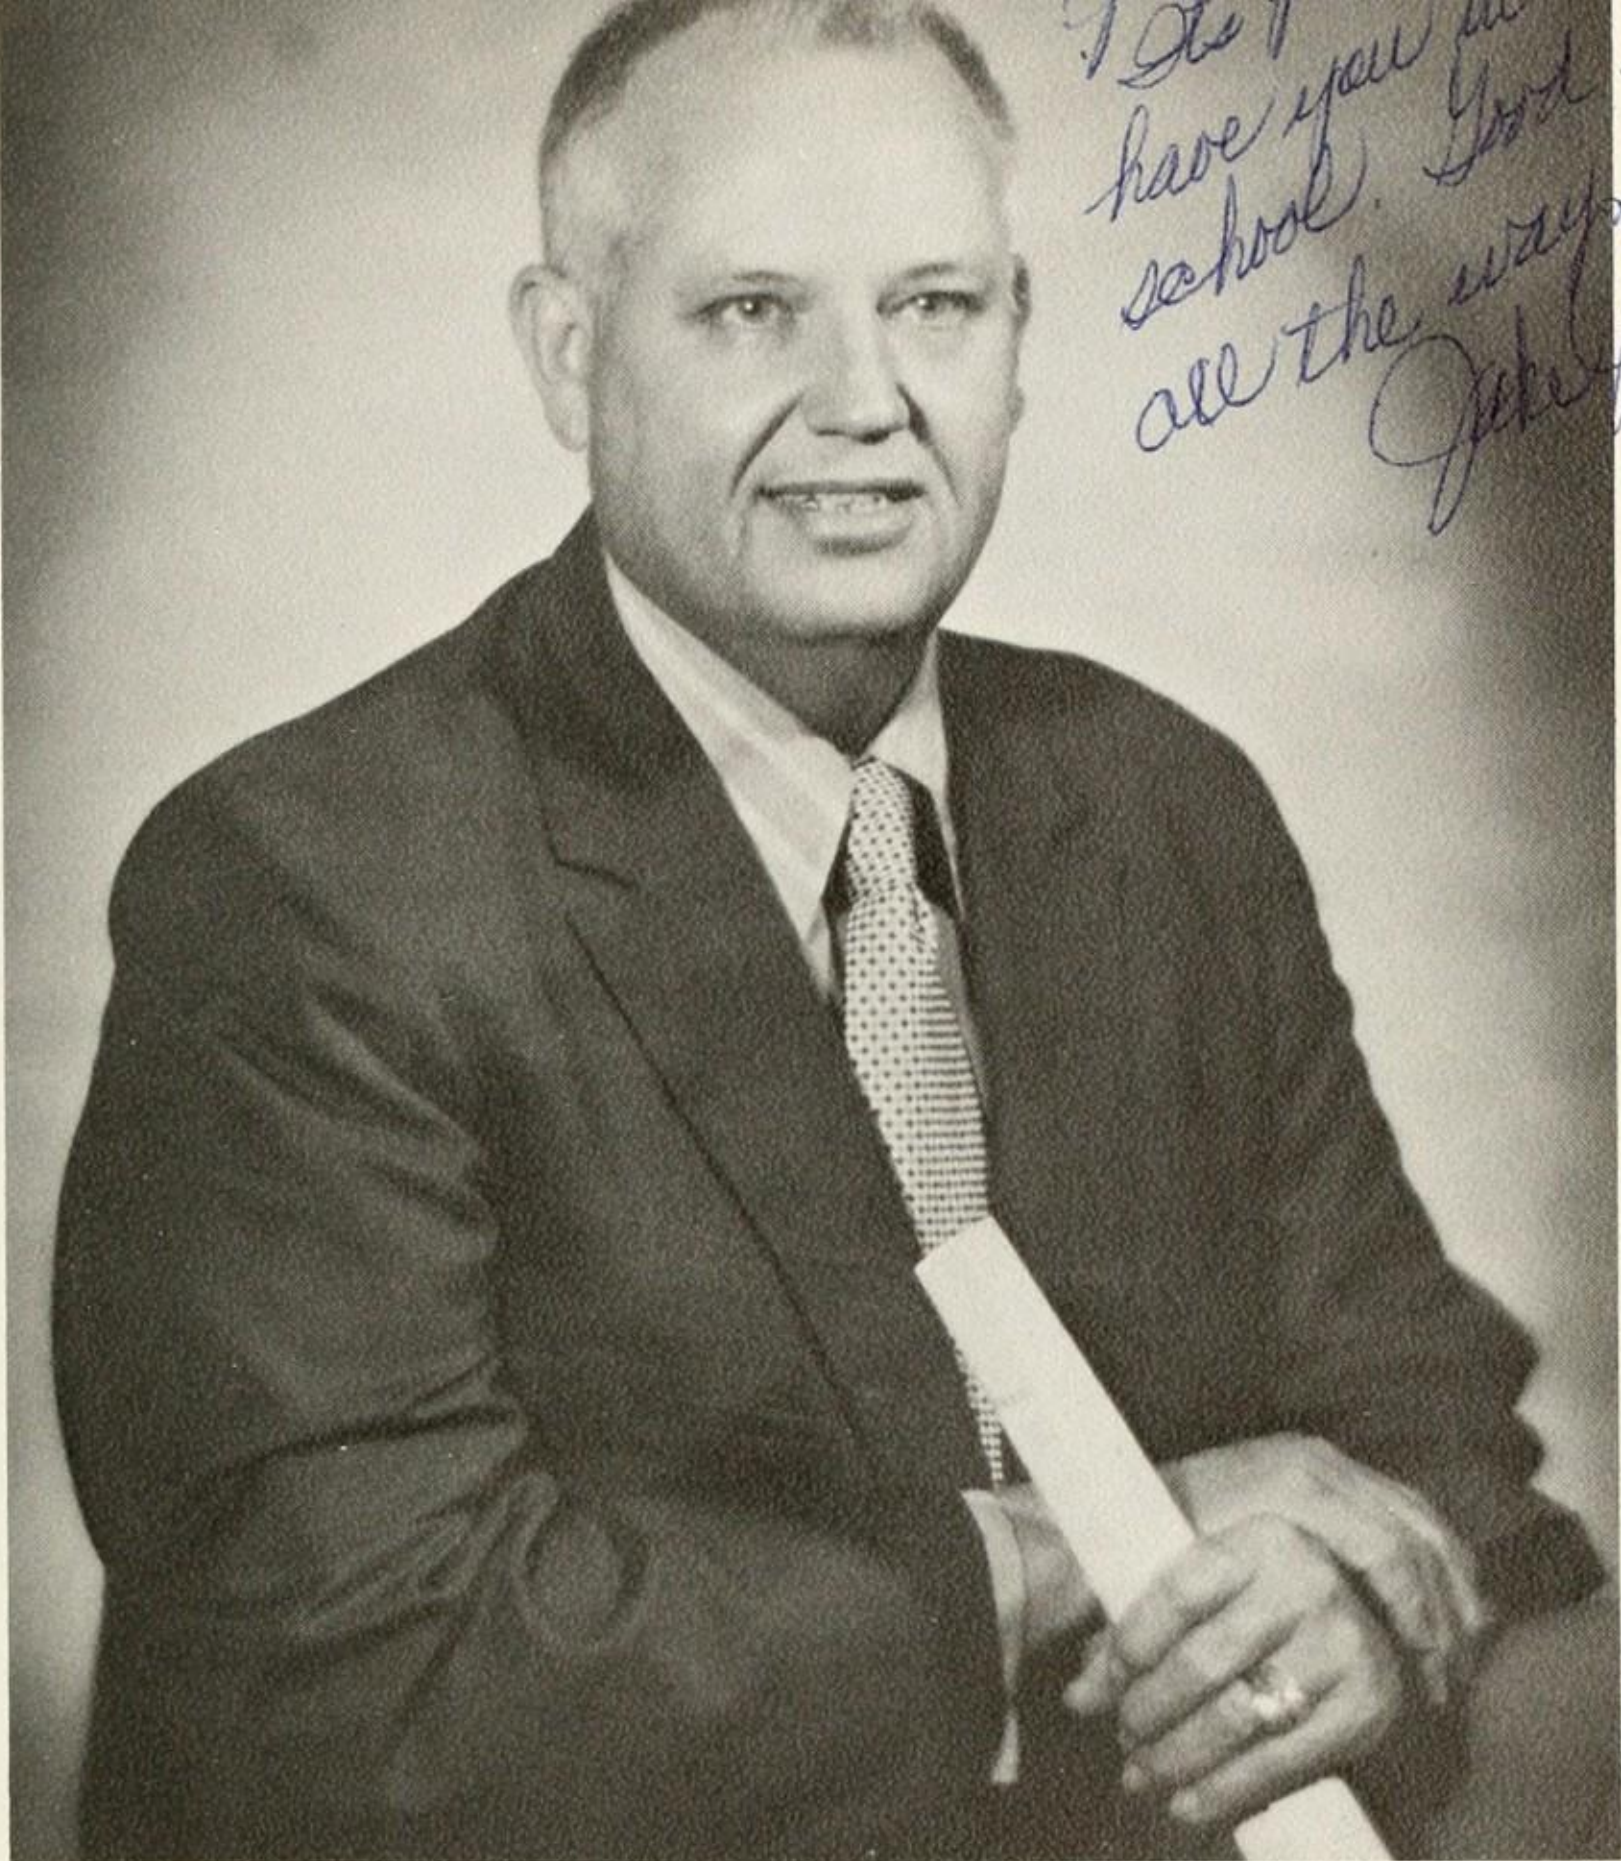

It is my sincere hope that you have had a pleasant and profitable school year, and that you will continue to uphold those high standards that you have established in Winters High School.

Congratulations to the Annual Staff for this very fine production. A portion of your reward will be in knowing that this book will become more precious to all of us as the years go by.

Sincerely,

*Carroll Sutton*

My personal congratulations to the staff of this yearbook for an outstanding job of recording the highlights of another school year. May each student represented here join me in saying, "It's great to be a Blizzard." And in the years to come when you look back on these wonderful memories, may all the hopes and dreams you had here be a reality.

Watching the students might be easier if the paper had holes.

It just so happens, choir was my best subject.

Well, I've learned how to teach. Now, I'll have to hunt for a way to goof off.

If this raffle doesn't work I can forget about going to Ft. Worth.

## **JUST BANKING**

All during the time you live in a community and deal with your full-service bank, you build a name . . . you build a "standing". This character, this good reputation you've made even goes along with you when you move. Just imagine how good you will feel when you drop into your neighborhood bank, introduce yourself and ask them to refer back to where you used to do your banking. Suddenly you are no longer a stranger.

The name you build at a local full-service bank says who you are . . . says it well. It's undeniable proof of your good standing in your community. It's a pretty wonderful thing to have.

What is a full-service bank? It's simply a complete bank, a "commercial" bank for, unlike many financial institutions that offer only one or two services, a full-service commercial bank handles all your money needs. These services include Checking-Accounts—Personal Loans—Car Loans—Home Loans—Business and Farm Loans. By using these services you build your personal standing in your community.

Our full-service commercial bank stands ready to help you with all your financial needs.
